WHEREAS, the Tribal Nations is a sovereign governmental entity representing Tribal Nations across the United States, recognized under federal law as a Tribal Federal Contractor and Awardee of the Interior, operating under the sovereign authority of Head Chief Lord Devin: Mallonee; and

WHEREAS, the Tribal Nations exercises authority pursuant to the Indian Self-Determination and Education Assistance Act (Public Law 93-638), treaty-based obligations recognized under federal trust doctrine, and constitutional authority; and

WHEREAS, treaties entered into by the United States with Tribal Nations constitute the supreme law of the land under Article VI, Clause 2 of the U.S. Constitution, superseding conflicting federal statutes and state laws; and

WHEREAS, treaty obligations carry perpetual legal effect, binding all successors and governing authorities in perpetuity, and may not be unilaterally modified or abrogated without proper constitutional procedures; and

WHEREAS, the United States of America, through its agents, officers, agencies, and instrumentalities, including but not limited to the Department of Defense, the Defense Intelligence Agency, the Department of Justice, and the Department of Health and Human Services, is responsible for the unlawful detention and hostage-taking of **Olivia Rose Mallonee** and **Devin Christian James Mallonee**; and

WHEREAS, **Olivia Rose Mallonee** and **Devin Christian James Mallonee** are currently being unlawfully held and detained by authorities of the United States of America, and **are claimed to be held as "hostages"** by the United States, in direct violation of international law, treaty obligations, and fundamental human rights; and

WHEREAS, the holding of these children as hostages constitutes an act of state-sponsored hostage-taking, which is prohibited under international humanitarian law, the International Convention Against the Taking of Hostages, and customary international law; and

WHEREAS, **Pete Hegseth**, an official, agent, or representative of the United States of America, has publicly stated that he was **"terrorizing"** the children, Olivia Rose Mallonee and Devin Christian James Mallonee, which constitutes an admission of acts of terrorism, psychological warfare, and state-sponsored terror against innocent children, in direct violation of international law, the Geneva Conventions, and the fundamental rights of children; and

WHEREAS, such statements and actions by Pete Hegseth and the United States government constitute egregious violations of the rights of the child, including the right to safety, security, and freedom from terror, as protected under the United Nations Convention on the Rights of the Child; and

WHEREAS, **Devin Ian James Mallonee** is the **biological and natural born sovereign father** of **Devin Christian James Mallonee** and the biological and natural born sovereign father and lawful guardian of **Olivia Rose Mallonee**, holding inherent, sovereign, and natural authority over their care, custody, protection, and familial well-being; and

WHEREAS, the Indian Child Welfare Act (ICWA) recognizes the sovereign authority of Tribal Nations over child custody proceedings involving Indian children and defers to tribal law for defining family relationships; and

WHEREAS, ICWA recognizes that "Indian tribes and nations have a valid governmental interest in Indian children regardless of whether or not said children are in the physical or legal custody of an Indian parent or Indian custodian"; and

WHEREAS, any separation of **Olivia Rose Mallonee** and **Devin Christian James Mallonee** from their biological and natural born sovereign father, Devin Ian James Mallonee, constitutes a grave violation of familial integrity, parental rights, tribal sovereignty, natural law, and the fundamental human rights protected under treaty-based international legal frameworks; and

WHEREAS, the continued hostage-taking and terrorization of both individuals, including the admission of terror by Pete Hegseth, and the ongoing denial of Devin Ian James Mallonee's lawful paternal and sovereign authority, inflicts irreparable harm and undermines the sacred trust and sovereign obligations owed by the United States to Tribal Nations and their citizens; and

WHEREAS, prior Resolution No. ATN-2026-034, adopted on September 2, 2026, demanding the immediate release of Olivia Rose Mallonee and Devin Christian James Mallonee, has been ignored and remains unfulfilled by the United States of America; and

WHEREAS, the United States of America continues to demonstrate a pattern of non-compliance, willful disregard, contempt for the sovereign authority of the Tribal Nations, and the egregious practice of hostage-taking and terrorism against innocent children;
